

# Easy Green Cleaning Recipes

## Multi-purpose cleaner

- 2 cups white vinegar
- 2 cups water

Use on hard surfaces like countertops, kitchen floors, mirrors, and windows.

## Floor cleaner

- 1 cup castille soap
- 3 gallons hot water

Use on vinyl (linoleum), tile, sealed floors

## Stovetop cleaner

- baking soda
- dish soap

Mix dish soap into baking soda to make a paste. With a steel wool pad and some hot water, scrub area, then wipe clean.

## Toilet bowl cleaner

- borax
- few drops of pine or essential oil

Sprinkle borax inside bowl, drop essential oil in. Let sit for 30 minutes, then scrub with toilet brush and flush.

## Stain remover

- 2 TBP hydrogen peroxide
- 1 TBP baking soda
- 1 TBP dish soap

Spread the mixture over any stain. Let it sit for about 30 minutes, then launder as directed.

\*Also great as a **bedstain** remover! Dilute with 1/2 cup warm water, let sit for 30 minutes, scrub with soft bristle brush then wipe with a wet cloth and let completely dry.
